CRAFTING BEAUTY
IN EVERY DETAIL

While contemplating a mica which is immune to finger-marks, we have come up with three neutral colours which stand classic or craze.

These laminates with fingerprint-resistant technology have been uniquely designed to become one of the most desirable interior decors of the contemporary. Unquestionable sustainability with a smear, smudge-proof smooth surface, not only leave you with a sense of wonder but also, demands less attentive maintenance for an ageless living.
